MEMORANDUM FOR: Mr. 

THRU : Mr. 

SUBJECT : Identifying Persons Relative to Eligibility  
for Overtime Pay

1. The Audit Staff has found it necessary to pay overtime pay only in those cases where its personnel are assigned as duty officers at overseas stations and in a few cases where it is expedient to complete a particular audit and return to base in order to obviate the payment of per diem. There are numerous occasions when Audit personnel do work overtime and on such occasions compensatory time is generally granted.

2. In view of the above statement, it is the opinion of the undersigned that all Audit Staff personnel below Grade 14 should be permitted to draw overtime pay when required. There follows a list of Grades 14 and above;

GS-17

GS-15

GS-14

Records show 159 hours of overtime was paid during the period covered from November 1957 to November 1958. This overtime was for work on the Credit Union which had to be closed until completion of the audit.

  
Chief, Audit Staff
